I would like to convey my heartfelt gratitude for your professional and devoted work organizing the convention held in Barcelona. From the invitation extended to Forum 15 to participate, to the preparation of our delegation for the trip and through the outstanding, thoughtful hospitality granted the group during its stay in Barcelona - throughout, the great care you invested in the small details was noticeable, as was your approachability and willingness to help with every request.

Additionally, the convention itself was interesting, fruitful and educational. The careful thought put into choosing lecturers and speakers for the occasion, as well as companies for the exposition, was well felt.

Please convey these words of appreciation to the organizers of the convention on our behalf.

I am looking forward to more fruitful collaboration in the future.

Sincerely,

Adv. Eitan Atia
